

The Hospitals and Outreach Committee is dedicated to supporting our members who are seeking, in need of or currently in any type of care situation, and because of this are unable to attain or attend meetings (Hospitalized, Recovery Homes, Long Term Care, Shelters, etc.)

Please pass along this message within the AA community of district 16 and area 86, be vigilant to those that are suffering and please disseminate this information to them, so that we are able to assist them in getting the help that they require!

I am new to this position, but am familiar with many of you within the AA community and would love to hear from any of you if there is anything that you require, or any inquiries that you may have within your group, your community or AA as a whole! Together, we can make a difference!

I am responsible when anyone, anywhere reaches out for help, I want the hand of AA to always be there and for that I am responsible!

Matt E
